

EAR CARE, FOOT CARE & OXYGEN ADMINISTRATION COURSES

I am looking at offering training sessions on Ear Care/ Syringing Ears, Foot Care and Oxygen Administration.

However, in order for this training to go ahead I need to know that there will be a sufficient number of people interested in attending.

If you are interested in sending staff on any of these courses please can you complete the reply slip below and return it to aberey@spic.co.uk, fax 01743 861270

Once I have an idea of numbers, and these are sufficient enough to run a course(s) I will contact you with dates.

Kind regards

Karen George, Nurse Advisor

Please return your completed reply slip to Amanda Berey at SPIC (aberey@spic.co.uk) or fax 01743 861270
