Disclaimer

Shropshire Partners in Care Ltd (SPIC) embraces the Disability Discrimination Act and where possible will accommodate any special needs the delegate may require and encourage such delegates to attend our courses.

However, due to the nature of the First Aid and Moving & Handling training, certain aspects will need to be physically demonstrated by the delegate to the trainer in order for SPIC to issue the full certificate. If this cannot be achieved SPIC will be pleased to issue a limited certificate noting any subject areas where the delegate is unable to achieve full compliance with the required standard.

As stated, our courses are open to all, however, please contact the SPIC trainer prior to the course date if delegates have any physical disabilities or any existing or past injuries which may prevent successful completion of the course.

I have read the disclaimer and do not have any physical disability or any existing or past injury that will prevent my completing the course and am competent to undertake all aspects of the course.
